

New Development of Hydrodynamics and its applications in Heavy-ion  
Collisions

Contribution ID : 56

Type : **not specified**

**Probing the partonic degree of freedom in high  
multiplicity p-Pb at  $s^{1/2}=5.02$  TeV collisions**

*Friday, 1 November 2019 12:10 (25)*

**Presenter(s)** : Mr ZHAO, Wenbin
